

Privacy Policy

Last updated: 29th November, 2018

CenturyX Limited (“**CenturyX**” or “**we**”) are committed to protecting and respecting your privacy.

This Privacy Policy applies to information we collect when you register for and/or participate in the token sale, bounty program (“**Airdrop**”) advertised on our website www.centuryx.info (“**site**”) and interact with the site. This Privacy Policy explains how we collect, use, and disclose such information about you.

We may change this Privacy Policy from time to time. If we make changes, we will notify you by revising the date at the top of the policy and, in some cases; we may provide you with additional notice (such as adding a statement to our homepage or sending you a notification). We encourage you to review the Privacy Policy whenever you access or use the site to stay informed about our information practices and the choices available to you.

Collection of Information

Information You Provide to Us

We collect information you provide directly to us. For example, we collect information when you register to participate in our token sale or bounty program through the site. The types of information we may collect include, as applicable, your name, entity name, email address, physical address, date of birth, gender, Ethereum address, and driver’s licence, passport or other governmental identification.

Log Information:

We may also obtain information from other sources and combine that with information we collect through the site. When you access or use the site, we may automatically collect information about you, including:

Device Information:

We collect information about the device you use to access the site, including the hardware model, operating system, and version, unique device identifiers, and mobile network information.

Information Collected by Cookies and Other Tracking Technologies:

We use various technologies to collect information, including cookies, and web beacons. Cookies are small data files stored on your hard drive or in device memory that help us improve the site and your experience, see which areas and features of the site are popular, and count visits. Web beacons are electronic images that may be used on the site or in emails to help deliver cookies, count visits, and understand usage and campaign effectiveness. Most web browsers are set to accept cookies by default. If you prefer, you can usually choose to set your browser to remove or reject browser cookies. Please note that if you choose to remove or reject cookies, this could affect the availability and functionality of the site.
